Tod and Simma,

Michael Creswell and I put together this draft PA for the FL assumption 106 consultation. Also attached is the final OA. We kept the PA pretty basic with the understanding that ACHP will almost surely expand upon it. Please let us know what you think. After incorporating any changes you have, we'd like to send this out to the rest of the staff next week and then run it up through leadership. Our goal would be to send this to the ACHP the week of September 21st as a starting point for consultation.

Thanks and please let us know if you'd like to discuss.

Matt
